Special Pre-Summit Event — Limited Availability!

On **Monday, April 27**, attendees can join one of 2 pre-summit immersion field trips to South Bend, Indiana. These half day sessions include coach transport to and from the venue, plus breakfast and lunch.

1 – Milton Village: A Transformative Model in Adult Day Services

- Visit Milton Village, the first U.S. adult day model inspired by the Netherlands' *de Hogeweyk* concept.
- Created by the Center for Hospice Care and REAL Services, this innovative setting promotes dignity and autonomy in a community-like setting

2 – Palliative & Hospice Care: A Global Perspective

- Join Global Partners in Care and University of Notre Dame faculty for a global perspective on hospice and palliative care.
- Gain insights, challenges, and ideas from around the world to strengthen your work at home.

*Can be purchased during the registration process or added later by purchasing through the same link. Please note that the program will only run if the minimum number of attendees is met.
